

HOIST / PEOPLE & MATERIAL

2020

ALIMAK

With a 2t capacity and 2m long car, this mid-speed hoist is a reliable choice for projects with a smaller footprint. We have used our 2020 on jobs like the Maroochydore Government Service Centre and Sea Pearl on the Sunshine Coast.

| SPECIFICATIONS | |
|----------------|----------|
| Max capacity | 2 t |
| Car length | 2 m |
